

**Hostel Management Committee (HMC)
Aliah University, Kolkata**

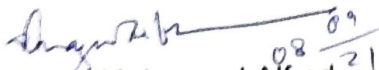

Notice

No. AU/HMC/2021-22/1

Date: 08.09.2021

This is for information to all relevant that after publication of the results of final semesters of UG /PG courses of Aliah University, boarders of the University hostels **who have completed their courses necessarily require to take hostel clearance.** Moreover, student who have already completed his/her course but have not taken the hostel clearance, are also asked to take hostel clearance now. If any student is going to study in any new course then he/she have to freshly apply online for hostel admission in the coming session, as now there is no scope of continuation of boarder-ship. The decision is as per the resolution taken in the HMC meeting on 10.03.2021.

Thus the concern boarders of Aliah University hostels are suggested to follow it.
